Membership Terms & Conditions

1. Memberships are for the term of one month. On last day of each month, all memberships and associated benefits will expire and will need to be renewed for the following month.
2. Memberships are non-refundable and non-transferable to other persons or for any other product or service.
3. Memberships may be purchased in-store, online, by phone or by direct bank transfer and requires a one-off upfront fee or monthly direct debits.
4. 'Unlimited Access' refers to the free access and usage of TCHT facilities during available hours and pending other bookings.
5. Business hours are detailed on our website and Facebook. Bookings outside of our business hours are available by appointment and are at the discretion of TCHT, pending other bookings and staff availability.
6. Bookings are required for all centre activities to ensure availability. Bookings for the lobster and Bowling Machine may be made for up to one hour per day per Membership.
7. There are naturally fluctuations in centre usage based on weather conditions and seasonal activities. We will always do our utmost to accommodate our members, however at times during our busier months, some changes to private bookings may be necessary to accommodate club reservations. We will always communicate this to you in advance and seek to minimise any interruptions to bookings as much as possible.
8. All Monthly Members must be part of the Thylacine Club and will receive Loyalty Club Bonus Points for their membership purchase.
9. Members must show their Loyalty Club card with relevant membership sticker to centre staff. This enables us to ensure only paid members are accessing the benefits of the program (which looks after our members!) and also allows us to track the usage and value of the membership. This will enable us to make any improvements to the program in future years.
10. Some equipment (balls, mit, sidearm etc) may be borrowed from reception and must be signed in/out on each visit. TCHT equipment is not permitted to leave the premises.
11. If at any time you feel you would like additional assistance with your training, please talk to us regarding our coaching services and products. We offer a range of one-on-one and group coaching options.
12. We ask that you respect the rules and regulations of TCHT. If you are seen to be misusing the centre or equipment, TCHT reserve the right to revoke your membership with no refund.
13. All users of the facility do so at their own risk. All reasonable efforts are made by management to ensure your safety and minimise injury, however the Centre cannot prevent all dangerous activity due to the nature of cricket activity. Should you have any concerns with this, please DO NOT step onto either court or the bowling machine lane and speak with management. TCHT accepts no responsibility for injuries to players caused during or after use of our Centre.

Thank you for purchasing a The Cricket Hub Monthly Membership! We are excited to introduce this program to our range of services and look forward to witnessing the benefits that the program provides. We wish you all the best with your training and please see us at any time with any questions or feedback you may have regarding your membership or other general cricket matters!
